

PREFERRED CARRIER FREEZE AUTHORIZATION

I hereby authorize UniTel to place a Preferred Carrier Freeze on my telephone number(s) for each of the following services within twenty-four hours of the date this authorization is received by UniTel. I understand that signing this form will authorize UniTel to reject all carrier changes until I notify them to lift the freeze.

Notification to UniTel for lifting a freeze can only be accomplished by these methods:

- Written authorization from authorized customer
- By telephone (authorized customer must verify CPNI info or password)
- By telephone involving the authorized customer, the new carrier company and UniTel (Requires verification of password or other CPNI information)

There is no charge to add or lift a Preferred Carrier Freeze. There is, however, a \$5.25 charge to change carriers.

Please freeze the carrier(s) on the following services:
